The Pines course is located next to the Clubhouse which is the central location for the social hour and dinner. The Pines course is the original Lake Arrowhead Resort 18 Hole championship course. It is a Golf Digest 4 1/2 Star Places to Play Award Winner and ranked among their top 75 public courses in America. Tucked among tall pines and lush woodlands, it provides the ultimate golf experience for players of all skill levels.

The Lakes Course is located 2.5 miles from the Clubhouse. Featuring water hazards on seven of the 18 holes, the newest Lake Arrowhead course is not for the faint of heart or the errant driver.
